

Senior School Success for Oakwood pupils in 2021

We are delighted to be able to celebrate the hard work and achievements of our Year 6 pupils this year by announcing an excellent set of senior school results. All pupils received offers for their chosen senior schools, and in an ever increasingly competitive admissions process for many schools, this is a tremendous achievement.

We are pleased to have strong and open links with many of our local independent and state senior schools with Year 6 pupils going on to a variety of schools every year.
